Eddie Edwards Signs

Eddie Edwards Signs, your full service sign company, combines today's most innovative technology with years of design experience.

For every project, the goal is to maximize your exposure. Your signage options are nearly limitless as EES offers electric, aluminum, vinyl and plastic, electronic message centers, neon, LED channel letters, as well as modern options in vehicular graphics.

Eddie Edwards Signs provides concept design, full production, installation, maintenance and repair.

You can rest assured knowing that the details surrounding your sign project are covered.

Since 1952, Eddie Edward Signs has achieved customer satisfaction by remaining a leader in the industry.

Whatever the size or complexity of your sign, trust the expertise of Eddie Edwards Signs, serving Harrisonburg, Staunton, Waynesboro, Winchester, Charlottesville, and areas near I-81, I-64, and Rt. 29.
